

## **Bed and Breakfasts**

### **What you can expect:**

A B&B is usually somebody's home. The owner, or manager usually lives on the premises. As the name indicates, you can enjoy breakfast as part of your accommodation. Bathrooms can be en-suite or private or you may have to share amenities with other guests. You must be prepared to share living areas with people living in the house.

### **Is it suitable?**

A Bed & Breakfast is ideal if you are looking for a safety and comfort of a home. It is suitable for a quick stay over. B&B's are reasonably priced and comfortable.

### **What to ask?**

Find out whether the bathroom is private, en suite or whether shared with other guests. Also enquire whether towels are supplied or if any meals other than breakfast are served.
